Dear Friends of Butoke,

November 11, 2015

Butoke, with significant financial support from World Hope Canada and Canadian International Development Agency (CIDA), built and outfitted a new school facility capable of giving primary and secondary education to over 400 children

TO GIVE EACH CHILD A FUTURE OF HOPE.

Friends of Butoke is always focused on the Orphanage Children – yes, Dr. Cecile's Kids. These Kids have nothing and need everything – Food, Health Care, Beds, Clothing and most of all loving arms. These Kids also need an education, learning the basics of reading, writing and math. There is no free school in the DR Congo. The Kids need tuition fees, uniforms, books, food in order to learn the teacher's lessons.

We, the richly Blessed with the Lord's Bounty, are asked to share, yes even compelled to help by sponsoring one or more children, by praying for them often and sending in your contributions now please (or commit to installment support).

CAN THESE KIDS COUNT ON YOU, PLEASE. IT MEANS SO MUCH TO THEM!!!!

All of us on the Board are so thankful for your continued and loving support. We cannot do it without YOU.

John
